Faith Bible Class - East Parlor

Adult Bible Studies: Covenant Communities

How does our community of faith compare to those in the Bible? Study 4 Old Testament and 3 New Testament books and see if the communities described there have lessons for us today.

Bob Snyder, teacher.

Faith Meets Life - West parlor.

The Life You've Always Wanted by John Ortberg

Using the DVD sessions and participant books, class members will delve into spiritual disciplines for ordinary people. In a marathon, the secret lies not in trying harder, but in training consistently. Proven by followers of Jesus over the centuries, the spiritual disciplines are exercises that strengthen your endurance race on the road of spiritual growth.

Kim Reynolds, Bobbi Vine, facilitators.

Teens & Adults: 11:00 - East parlor

Join this class for a study on *Gilligan's Island & the seven Deadly Sins*. This Bible study uses the final episode "Rescue from Gilligan's Island" to examine the "seven deadly sins." It features classic characters in modern parables with relevant scriptures on the teachings of Jesus. All ages are welcome from older teens to retirees.
