THEMES FOR THIS YEAR!

This year we continue focusing on Bible lessons that will encourage children to live as Christians in the world, intersecting their life experiences with the chosen Bible stories. The lessons are as follows:

- September: *Bible Teachings- The Shema*
- October: *Out of Egypt*
- November: *Into the Promised Land*
- December: *Good News!*
- January: *Calling the Disciples*
- February: *The Last Supper*
- March: *Road to Emmaus*
- April: *Feast and Festivals*
- May: *Three Women of Faith*

DID YOU KNOW....?

Research by the Barna Research Group of Ventura, California (www.barna.org) shows the following:

- A person's moral foundations are generally in place by the time they reach age 9.
- A majority of Americans make a lasting determination about the significance of Christ's death and resurrection by age 12.
- What you believe by the time you are 13 is what you will die believing.
- Individuals who will become the church's leaders 20 years from now are probably active in church programs today.

So how important is it to bring your child to church?

Train a child in the way
he should go, and when
he is old
He will not turn from it.

Proverbs 22:6

Jesus said, “Let the
little children come to
me, and do not hinder
them, for the kingdom
of heaven belongs to
such as these.”

Matthew 19:14
