\*CALL TO WORSHIP

adapted from C. Epting

Leader: Each of us have only one voice to sing our Great Redeemer's praise. But when we gather in worship and together raise our voices we indeed have a "thousand tongues." Let us join our voices together to proclaim...

**I believe in God. God is the Source of all that is. I believe that God has a personal quality and yet is beyond measure and without limit.**

**I believe in Jesus who was anointed by God. So especially related is he to God that, when we see him we see God. He hung around with the wrong people restoring them to community and healing them. Healing by his hand is salvation. This kind of transformation by the Incarnate One of God challenged both the religious establishment and the Roman Empire. It got him arrested, tried, convicted, and executed. The kind of love that got him into trouble is the kind of love that never dies. And so, he defeated death by his bodily resurrection. I am committed to the truth of his teaching and the example of his life.**

**I believe in the Spirit of Christ which is alive and active in the world today.**

**Because I believe I am a part of the assembly of Jesus' followers throughout the world. I believe that a community of persons transcends death and that we remain united – through the power of God — to all who have died. I believe that, because of the grace of Jesus, when we die, it is not the end. There is a renewed life in the nearer presence of God. All this, I believe.**
