

## Instructions For Making Advent Prayer Beads

Prayer beads are a set of beads designed to help people pray.

The Advent Prayer Beads pictured here and the Advent Prayer Bead Devotions were written for Faith UMC's Wednesday Night Advent Experiences.

These Advent beads were created to tell the story of the greatest gift every given, God's gift of Jesus to us! They are a tool you can use to help guide your prayers during the season of Advent.

Supplies needed to make your own set of Advent prayer beads:

1 piece of 24 gauge wire

A heart charm

A cross charm

1 black bead

1 light pink bead

3 purple beads

1 pink bead

1 white bead

1 dusty/cream bead

1 gold bead

1 silver bead

11 spacers beads

Follow the Advent devotion or use the photo to assemble your Advent prayer beads. You can leave them in a strand or even make them into a bracelet.
