Refrain

Surely the presence of the Lord is in this place.
I can feel God's mighty power and God's grace.
I can hear the brush of angel's wings,
I see glory on each face.
Surely the presence of the Lord is in this place.

Verse 1

In the midst of His children
The Lord said He would be.
It doesn't take very many
It can be just two or three.
And I feel that same sweet spirit
That I felt oft times before.
Surely I can say
I've been with My Lord

Refrain

Verse 2

There's a holy hush around us,
As God's glory fills this place.
I've touched the hem of God's garment,
I can almost see God's face.
And my heart is over flowing
With the fullness of God's joy.
And I know, without a doubt,
That I've been with the Lord.

It's Not Just a Cookie

written by an inmate

A gift, with no connections ... A memory of a home you really never had.

Hey, I'm lonesome here! It's dark and scary!!!

It's not just a cookie!

A sweet taste that raises pictures in your past of better times ... better sounds ... better places.

The feelings you put deep and away ... of an Aunt, or Grandma ... or someone who cared!

It's not just a cookie!

A smile ... A man who gives and says God Bless!

It's not just a cookie!

The moment is short. The connection between taste and the past are good ... but short lived.

The memory of a bunch of strange guys with smiles and a true gift!

It's not just a cookie!

As we leave in haste from this dark and scary place, I hear an echoing cry out ...hey Kairos dudes ... God Bless!!!!!!

It's not just a cookie!
